

A light in the night

F

Spoken: One. One blue light. A light in the night. A light in the night.

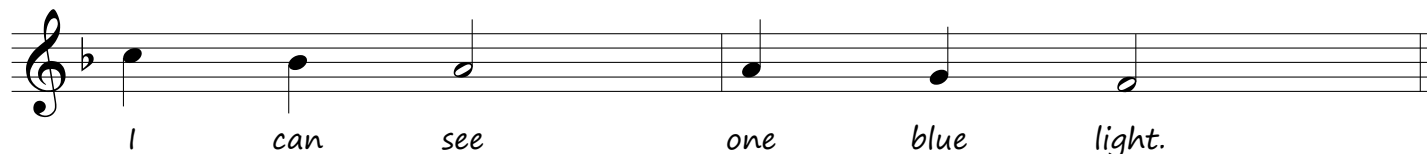

C

F

B

C

F

I can see one blue light.

2.

Spoken: One, two. Two red lights.

A light in the night. A light in the night.

I can see two red lights.

3.

Spoken: One, two, three. Three orange lights.

A light in the night. A light in the night.

I can see three orange lights.

4.

Spoken: One, two, three, four. Four yellow lights.

A light in the night. A light in the night.

I can see four yellow lights.
