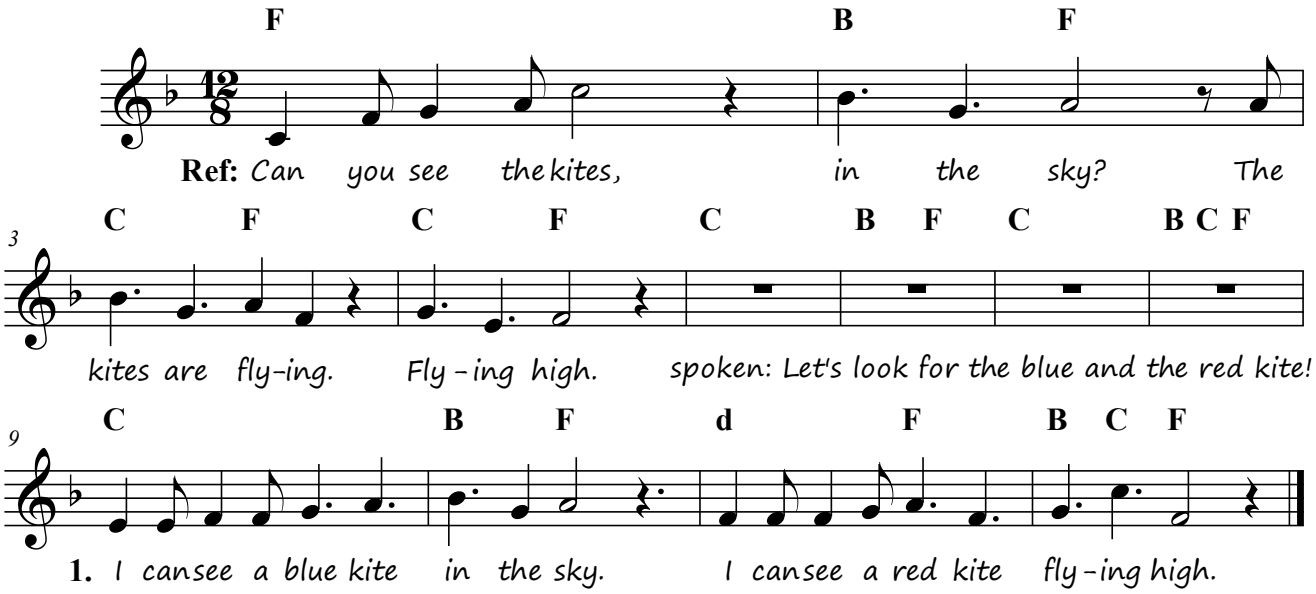
Colourful Kites

S+K Ä+G



2.
Can you see the kites, in the sky? The kites are flying. Flying high.
spoken: Let's find the yellow and the green kite!
I can see a yellow kite in the sky. I can see a green kite flying high.

3.
Can you see the kites, in the sky? The kites are flying. Flying high.
spoken: Can you spot the pink and the purple kite?
I can see a pink kite in the sky. I can see a purple kite flying high.

4.
Can you see the kites, in the sky? The kites are flying. Flying high.
spoken: How about the black and the white kite?
I can see a black kite in the sky. I can see a white kite flying high.

Schluss
I can see the kites, in the sky. The kites are flying. Flying high.
