

# Recycling always wins!

Name: \_\_\_\_\_

So let us RE - RE - Use RE - cy cle and RE - pair. We want to save - our pla - net and

8 this is how we care. So let us RE - RE - use, RE - cy - cle and RE - pair. We want to save our pla - net,

16 join us if you care. Your fav - our ite toy is bro - ken, ouch that makes you sad! But may - be we can

23 fix it, let's ask mum and dad. You go to the re - pair shop, your toy is now brand - new. In -

30 -stead of buy - ing new toys that's what we can do! So let us RE - RE - use, RE

38 cy - cle and RE - pair. We want to save our pla - net and this is how we care. So let us RE - RE -

45 -use, RE cy - cle and RE - pair. We want to save our pla - net, join us if you care.

## 2.:

If you have loads of toys that you just don't need,  
the second-hand shop's waiting, they'll sell them really cheap.  
And let's recycle our rubbish, using different bins  
for plastic, glass and paper – recycling always wins!
