

**A.** Look at the list of objects and decide where they should go: into your real classroom at school or into your virtual classroom at home. Some objects can be found in both rooms. Can you add some more?

Real classroom	Home schooling	Objects
		blackboard, whiteboard, sofa, teacher's desk, bed, TV set, laptop, toys, chairs, notebook, pencil case, windows, desks, posters, webcam, shelves, bookcase, wardrobe, door, microfone, clock, map, pets, flowers, guitar, ...

**B.** **I like/don't like home schooling:** Read what the pupils say. Do they like or dislike home schooling? Choose the right symbol.

Peter	Angela	Spencer
"I was at home with my younger brother and sister, and they always wanted to play with me! I just could not concentrate on studying!"	"Normally, I need 30 minutes to go to school by bus. I can sleep longer if school is at home."	"What I miss most, are my PE classes. You can't play football alone at home."
 	 	 

**C.** **Puzzle "Classroom things":** Can you find these words in the puzzle? Look for forward (→) and backward (←) and up (↑) and down (↓) words.
